

RARE DISEASE  
FOUNDATION

## Parent to Parent Social Support Network

### Do you have a child with a rare or undiagnosed disease?

The Rare Disease Foundation is an organization comprised of parents, caregivers and clinicians who are united in their desire to transform the world of rare disease care.

Join us at our monthly parent meetings - let's navigate the world of rare disease care together.

This month: **7:30pm Tuesday May 17, 2011**

Parent discussion:

#### **Helping one another - what is the one thing I wished I knew at the beginning of our journey**

- make connections with other parents who understand
