Every summer, the Simon Fraser Society for Community Living offers a community based drop in group for Tri-Cities and New Westminister youth aged 15 – 24 years who have intellectual or developmental disabilities. With support from our Youth Activity Workers, the youth collaborate to plan activities and events that take place Monday to Friday during the months of July and August.

Each year, the youth group does some fundraising to offset the cost of activities and supplies. Please come out, get your car washed and help the youth out with a donation. We appreciate your support!
