

Family Support, Education & Networking

The Family & Individual Support Program presents a 2 Part Workshop:

Individual Education
Planning for Parents

The Family & Individual Support Program is pleased to present a two part workshop for parents who have school age children with extra support needs. The workshops are dedicated to information and discussion on IEP Planning, Special Education Funding, School District 43 programs and services for students with special needs, effective advocacy, building collaborative relationships with your school and more.

The evenings will be facilitated by Family Support / Education Liaison Rachel leNobel and will include guest speakers from School District 43 Student Services. Parents of School District 43 Elementary, Middle and Secondary students who have intellectual or developmental disabilities are invited to join us for these informative, educational sessions on:

Part 1 – Wednesday, September 28th 2011

Part 2 – Wednesday, October 5th 2011

6:30p.m. – 8:30p.m.
