

Sib Club

Sib Club is a celebration of the many contributions made by brothers and sisters who have siblings with special needs. The club will provide a space for brothers and sisters to spend time connecting, through play, activities, and crafts, with other kids who really 'get' the good (and sometimes not so good) parts of having siblings with special needs.

Sib Club is a free sibling support club for children aged 5-8 with a sibling who has a developmental delay or diagnosed disability.

At Sib Club, siblings will:

- ✓ Have fun
- ✓ Make new friends
- ✓ Meet and chat with other siblings who share experiences
