Information, Resources and Support for Families as They Work Toward Employment with Their Family Member who has a Disability

Thursday, March 21st,  
7:00 pm – 8:30 pm

BACI's Still Creek Centre  
Second Floor  
2702 Norland Ave, Burnaby

## Inclusion Works

Inclusion Works is a model of family governed service. It involves families pooling their resources (skills, networks, CLBC funding and knowledge) with support from a Host Agency to create a customized day program that has a strong focus on employment. This model has been successfully implemented in other BC communities!

Come join Burnaby families who are interested in creating Inclusion Works Burnaby and learn from Arlene Zuckernick, a parent who has done this all before!
